Sea view villa in Portals Nous

Sea view villa overlooking Portals.

Beautiful villa in the hills of Portals Nous, divided into 2 levels. Each with its own independent floor.

There is an entrance for a third independent unit (with its own kitchen and bathroom).

Unobstructed views of the mountains and partial views of the sea. Very large garden with its own irrigation system. Two pools, one larger and the other, smaller for children. Several terraces with a lot of sun exposure all day. Garage with automatic doors.

Great investment for families.
