This small townhouse is built on one floor and is located directly in the village of Calvià. The living area comprises approx. 65 sqm and the terrace has a size of approx. 45 sqm. There is a rustic open kitchen with breakfast bar, pantry and adjoining dining/living area.

Both bedrooms have fitted wardrobes and there is a bathroom with shower. The house has air conditioning. It is surrounded by a private garden and you can drive onto the property plot.

The house is located in a very quiet area of Calvià, away from streets with a lot of through traffic. In Calvià there are various restaurants, shops, pharmacy etc.. There is also a school nearby. The connection to the surrounding villages and towns is very good.
